

DCO FUN

Designer Instagram Accounts

This month we're highlighting our designers that have created personal design focused Instagram accounts! This is a great way for each individual to express their creativity and show off their designs. Make sure to follow these designers on your personal Instagram account as well so you can check out all the fun projects they've been working on!

Keith Guest - June 24th - 15 years
Rheagan Conner - June 25th - 5 years
John "Mark" Speed - June 25th - 2 years

Work Anniversaries

Rheagan Conner - 5 years

Rheagan came to DCO after the business she worked at for over 18 years was shut down. DCO offered her a job, and it was a "God Send." Rheagan says she has stayed at DCO for all these years, because she loves her work family! She also enjoys the fast pace work, managing many different projects at once, and helping customers in the process of making their homes beautiful. Some of her favorite memories are the DCO Girl's Weekends, which are always filled with friends, fun, and laughter. She has received several "Making it Easy" Awards and a "Focusing on the Customer" Award, thanks to her amazing way with our customers. Rheagan's husband James also works for DCO Commercial Floors and they have two children: Camron (15) and Mackenzie (13). Both of their children are very active in sports, with Camron playing football and baseball for Monroe Area High School and Mackenzie playing for a travel softball team, as well as, playing Softball for Carver Middle School. Needless to say, they are usually always at a ballfield somewhere cheering on their kiddos. They also have a new addition to their family, a sweet puppy named Marley. Rheagan is a huge Georgia Football fan and loves cheering them on!! Since the Covid-19 Pandemic says their lives have changed drastically. Rheagan is currently working from home and has added on a 2nd job as a teacher to a 15 and 13 year old! She now knows that she can do anything. Rheagan is happy to say they finished school and both of them finished with "All A's". Now Rheagan can add Middle School and High School Teacher to her resume! Congratulations Rheagan on 5 years with the DCO family! We're so lucky to have you!

Keith Guest - 15 years

Keith has been with us at DCO for 15 years now and we are so grateful for him! Keith has been married to his wife for over 40 years and has two sons and two grandchildren ages 5 and 3 1/2! Some of Keith's favorite things are Georgia Football, baseball and playing golf. He also enjoys working in his yard. Thank you Keith for your hard work all of these years! We're so lucky to have you!!

Stay safe & healthy!
