Look! We're on TV!

At 7:30 AM on Aug 21, the first episode of Military Makeover with Montel aired on Lifetime TV. In this season, Military Makeover gives back to Master Gunner Sergeant Marcelino Marquez by undertaking a complete makeover of the Dacula, Georgia, home he shares with wife Frances and their three children. Master Gunner Sergeant Marcelino Marquez has served 27 years on active duty and in the Reserves and spent more than five years assigned to Mortuary Affairs. Studies have shown that Mortuary Affairs personnel have some of the highest rates of post-traumatic stress disorder. Marcelino continues to struggle every day with the experiences he encountered while serving in Mortuary Affairs.

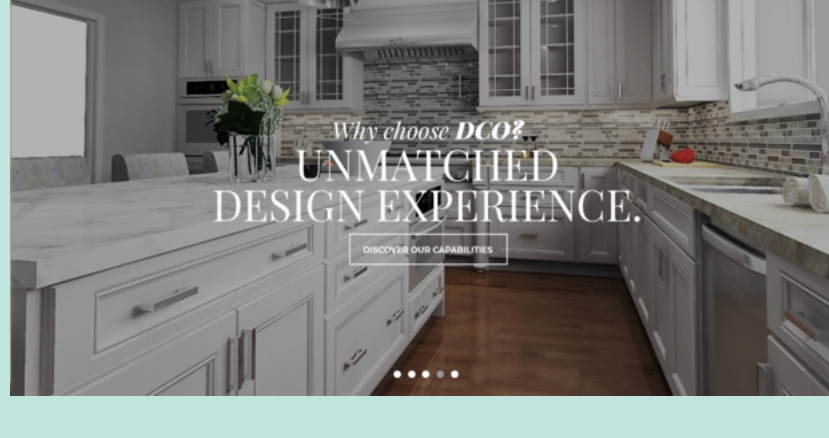

Dalton Carpet One had the honor of partnering with Tarkett to install their NuGen Gluedown and ProGen luxury vinyl products in the Marquez family home. Take a look at our amazing installers in action through the below video! You'll see Claudio, Maria, and Adelson who have all worked with DCO for many years. A huge shout out to our Installation Manager Ken Fenton for coordinating everything.
