DCO FUN

DCO Chili Cook-off

The Annual DCO Chili Cook-Off took place on the spookiest (and maybe the most competitive) day of the year: Halloween! Congratulations to Suzanne Basham for taking home the win! Special shout-out to Ken Fenton, Robert O'Neal, and Justin Aldridge for also whipping up some great chili! Tons of other DCO employees brought sides, including corn bread, Fritos, desserts, and drinks to join in on the fun! A big "thank you" to you all! The chili cook-off also included fun and creative costumes like Sarah Connor, the Joker, and a fortune teller! Have a fang-tastic Halloween, everyone!

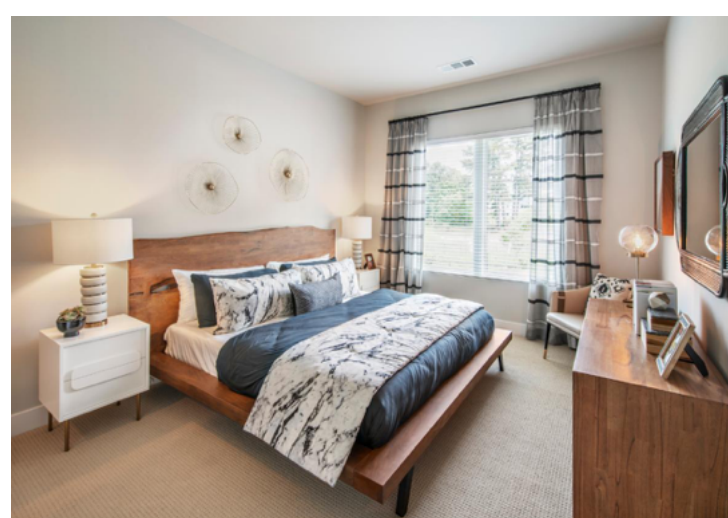

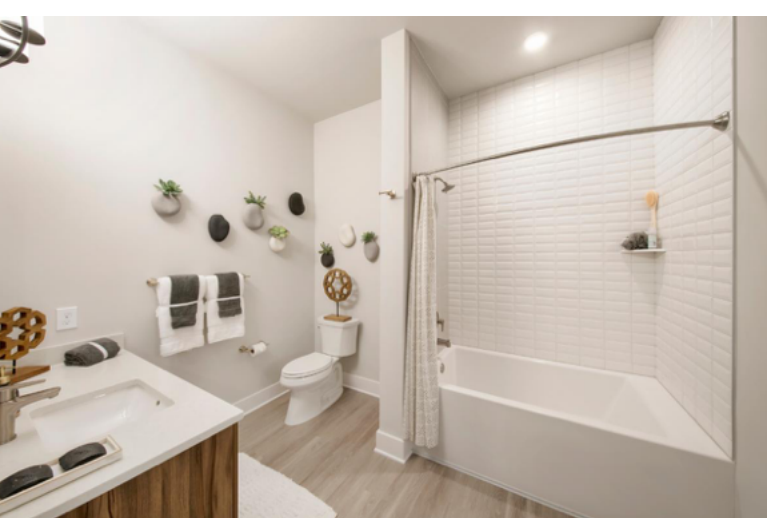

DCO Family Tailgate

The Annual DCO Family Tailgate took place on Saturday, Oct. 5. Da Munchiezz provided delicious Jamaican food (the jerk chicken was a crowd favorite!) and Lil Ice Cream Dude served up yummy frozen treats. The Bulldogs creamed the Vols in a final score of 43 - 14. Thanks to all employees and your families for making it out to enjoy the game!

COMMERCIAL NEWS

CML Project Feature: Oleander Apartments

PROJECT TEAM

Account Executive: **Ben Eldridge**
Project Manager: **Corbin Mintz**
Site Superintendent: **Mark Speed**
Contract Administrator: **Lana Browning**

Materials Used: Tile: Ergon, American Olean, Marazzi, Daltile, Island Stone, Refin, Ann Sacks | Prep: Latorre, Schenck, Schluter | Resilient: Spartan Surfaces, Ava Custom LVT, Flexco, Johnsonite, Mapei | Carpet: Shaw, Masland, Leggett & Platt | Window Shades: SWF Contract

"Naturally Effortless Living" is the tagline for the new apartments in Brookhaven, Oleander. These luxury apartment homes raise the standard, with a holistic focus on living well. The complex features artfully-crafted interiors complete with elegant details, distinctive finishes, and modern conveniences that make it easy to live well. With room for lively conversation, connecting with neighbors, self-care, and retreating from a busy day, their spaces are the setting for every aspect of wellness. Intentionality and consideration are built into each nook, common area, and apartment home, balancing sophistication and comfort with both look and feel. DCOCF is honored to have worked on this high-end project. The flooring includes wood-style resilient in living areas and bathroom, luxury carpet in bedrooms and closets, and beautiful tile and custom LVT in the amenity areas. Manual window shades and faux wood blinds were also a part of the project, a fine example of our two service divisions coming together to create one gorgeous masterpiece.

Jonda Sedlack, CIM

We are proud to announce Jonda Sedlack, CIM! Jonda (Project Manager in Austin) completed all requirements of the Certified Installation Manager (CIM) Program at the Fall FICIA meeting Oct. 13 - 15 to enhance her core skill set, experience, and knowledge base, which are necessary to successfully manage commercial flooring installation projects. Congratulations!
