DCO FUN

Sale Celebration

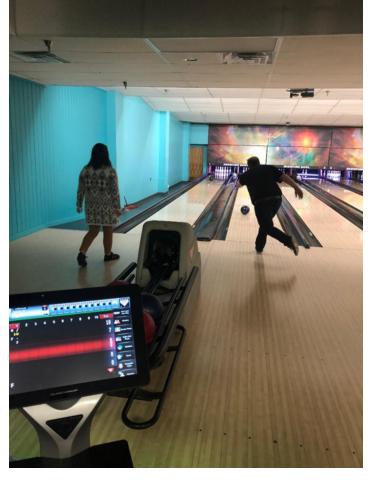

For our annual sale celebration, we we headed over to Showtime Bowl for some team bowling! The competition was steep, (well not really if you've ever seen Ken Fenton bowl!) but everyone had a great time celebrating! The Home For The Holidays sale was from October 21st through November 2nd. Thanks to everyone's hard work and effort that made this Sale a success!

Friendsgiving Potluck

On this years' annual Friendsgiving Potluck, we celebrated Thanksgiving surrounded by good company! We feasted on mac n' cheese, stuffing, green bean casserole, cornbread, mashed potatoes and many, many desserts! We are so thankful for our

employees, their families and our company!

Tunnel To Towers Home Dedication

This year Dalton Carpet One was involved with the latest smart home build with the Tunnel to Towers Foundation. The Foundation builds mortgage-free smart homes for catastrophically injured service members. Each home is custom designed to address the unique needs of each individual. These homes enable our most severely injured heroes' to live more independent lives at home.

Dalton Carpet One had the honor of partnering with other sponsors to create a smart home specifically designed for SSgt. Johnny Joey Jones. The Tunnel to Towers Foundation paid off the mortgage on his home in Sharpsburg, GA and made renovations to make his home more accessible, allowing him to live his most independent life. On November 5 th, we were honored to attend the home dedication service and get to walk through the completed home renovation.

We installed over 1,400 sq/ft of tile with the help of Brett Morrill & Charles Knueur's crew, Craig Hoffman, and Rob Rossi. They enjoyed how Jones made an effort to greet all the installers every day and felt he and his family really appreciated their work and efforts. Thank you to everyone involved in making this special project a success!

Milestone Anniversaries

Ben Eldridge - 15 years

Ben Eldridge is celebrating 15 years with us here at Dalton Carpet One! Ezra Peterson actually brought Ben to DCO by convincing him to join and ever since then Ben has enjoyed the people and culture of DCO. Ben says that "you wouldn't find somewhere like DCO anywhere else and the DCO family will always take care of their people." His favorite memory is knowing Mike Blanton as a boss, co-worker, and a friend. Ben's family and himself are so thankful that Mike gave them an opportunity. Ben's most hilarious memory would have to be when him and JR do karaoke at Christmas parties!

Ben has been married to his wife Kim for 21 years and has two sons: Camden (14) and Sawyer (9). His kids love football baseball and basketball. They spend their weekends watching UGA sports and watching their own kids play on the fields. The Eldridge family are active members of Watkinsville First Baptist Church. They have two Goldendoodles and an English bulldog. Any free time that the family as will be spent on Lake Oconee in a boat or on the dock relaxing.

Ben has received the Presidents Award multiple times which awards profit in excess of \$750,000. He has also won the Best of the Best award in 2016. This year he is having his biggest year overall.

DCO is closed the following dates during the holidays:
