DCO FUN

Teacher Appreciation Event

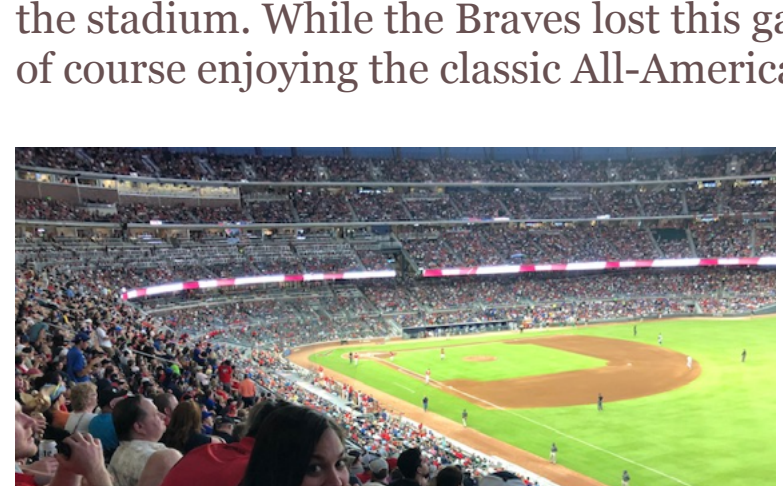

The Teacher event on August 1st and 2nd was a new event for us and turned out to be a great one! Teachers and classrooms are always in need of more supplies, so this was the perfect opportunity for Dalton Carpet One to get involved with teachers in our local communities. Since supplying a classroom can get very expensive, Dalton Carpet One employees made 120+ gift bags filled with pencils, expo markers, tissues and more to give out to the first teachers that came each day. Teachers also got to take home free carpet for their classroom and \$100 OFF coupons for any flooring needs they may have! The Facebook Event was blowing up with eager responses from local teachers in regards to the event! We had over eighty-five teachers come by Thursday and Friday, with another thirty or so come by that Saturday to grab up the last of the carpet. What a great turnout! We a lot of good feedback and high praise after this event. We can't wait to host the event again next year!

Braves Game

Take DCO out to the ballgame! On Friday, August 16th, DCO employees watched the Braves play the Los Angeles Dodgers at the new SunTrust Park. Everyone was wearing their red, white and blue as we cheered on Los Braves under the shade of the stadium. While the Braves lost this game, everyone had a good time choppin' and of course enjoying the classic All-American baseball food!

Furry Friends Sale

Athens Area Humane Society and Oconee Regional Humane Society came to both Dalton Carpet One locations for our Furry Friends Pet Adoption on August 24th! This is the second year that Dalton Carpet One has hosted this event and all of August we had deals on Pet Safe flooring products as well! The puppies were kept in the showroom on our Pet Safe carpet and it sure did it's job! Many families came in to see, play with, and adopt the adorable puppies that were there! And of course, the Dalton Carpet One employees enjoyed loving on the puppies on their break time as well!

Warehouse & Delivery Appreciation Lunch

We love our Warehouse and Delivery teams so much that we threw a lunch for them! On August 22nd, the sales and other staff members served Georgia Butts and Saucehouse BBQ to our Warehouse and Delivery team to show our appreciation for their hard work. Every day our employees put in 110%, and it's important that they are recognized, especially in the heat of the summer! Thank you to everyone on our Warehouse and Delivery teams, we appreciate you all so much!

Congrats, Dalton Carpet One!

Dalton Carpet One wins "Best of the Best" Flooring Store in Athens!

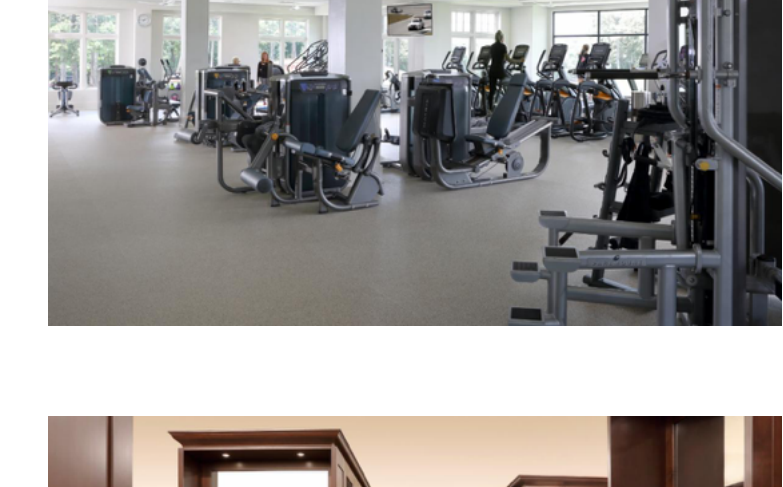

We won Athens Banner Herald and OnlineAthens's Best of the Best Flooring Store in Athens award! The community of Athens was invited to nominate and vote on their favorite business in each category. Once Dalton Carpet One made it to the final three, we were invited to the "Oconee Style" gala on August 22nd. There we won and accepted the award for the Best Flooring Store in Athens! We are so grateful to have a community that appreciates us and it's all because of our wonderful staff! A big thanks to you for helping make this possible! If you would like to check out the award in person, the plaque is on the awards wall in the Athens location.

COMMERCIAL NEWS

[READ MORE >](#)

Dunwoody Country Club embarked on an ambitious course to expand and improve its wellness facilities and programs. This project encompassed the construction of approximately 28,000 sq. ft. in a new three-story building, and renovation of almost 15,000 sq. ft. of existing spaces. New and renovated wellness areas include workout spaces with state-of-the-art fitness equipment, multi-purpose rooms for exercise, yoga, dance, and other fitness activities, massage rooms, and staff support spaces.

Interface Tour of Hampton Inn & Suites Midtown

Wednesday, August 28th - Luke Camp (Senior Account Executive), Joe Pryor (Senior Account Executive), and Erik Klansen (Senior Project Manager) spent the morning on-site at a current project, Hampton Inn & Suites in Midtown Atlanta, giving tours to the folks who designed the flooring at Interface. It was such a neat experience to show them around the job site! Everyone got to see how the floors are installed, what the final product looks like, and all of the work that goes into a flooring project.
